The DVDs of the Marching Band Contest show in Columbus might not be available for distribution at the Christmas Concerts. We are still waiting for the copyrights license in order for us to distribute DVDs of the contest. In the future this process will be started earlier in the year and possibly have one company do both the CD and the DVD. We were the only school to have someone with licensed copyright to produce DVD for the parents.

There will be extra fruit to sell at the Holiday concerts.

Motion was made to adjourn the meeting at 7:37 pm by Holly Michalke and 2nd by Steve Frantz.
